Your physician has referred you to see Dr Emma Unoh, a Specialist Physician in Mental Health, for further evaluation of your mental health needs.

Dr Unoh's office will contact you within 14 days of receiving this referral to verify your information and also obtain an email address from you if your doctor didn't already supply one with this referral. You can make the process even faster by providing your physician with your email address to include in this referral.

As soon as we are able to obtain an email address from you, you will be sent a secure email that is very easy to respond to and will take you about 15 minutes to complete and send back. This ensures we have all your information accurately.

Once this form is received; you will be contacted to set up an appointment date and time. The appointment is virtual, easy to set up, and can be done in the comfort of your own home. We will help you through the process.

If you do not hear from us within 14 days, please call the office at 2898211200. Please continue to follow up with your family doctor and call 911 if you have an emergency.
